

Introducing SpringerBriefs

A new way to publish

Springer is delighted to announce **SpringerBriefs**, concise summaries of cutting-edge research and practical applications across a wide spectrum of fields. Featuring eBooks and compact softcover volumes of 50 to 125 pages, the series covers a range of content from professional to academic.

Typical topics might include:

- A timely report of state-of-the art analytical techniques
- A bridge between new research results published in journal articles and a contextual literature review
- A snapshot of a hot or emerging topic
- An in-depth case study or clinical example
- A presentation of core concepts that students must understand in order to make independent contributions

Library Benefits

- ▶ Hot, quality research, from leading authors published fast
- ▶ Reviewed by editorial review by series editors, editorial advisory boards, and/or publishing editors.
- ▶ Full-text searchable/hyperlinked
- ▶ SpringerBriefs will be published as part of Springer's eBook collection across subject collections
- ▶ 100 SpringerBriefs planned for 2011
